

# Laboratory Sample Submission Form

Please provide and fill in as much information as possible. Please include an MSDS (SDS) with your sample, if available.

|                                 |  |   |  |
|---------------------------------|--|---|--|
| Date                            |  | Specific gravity of slurry                        |  |
| Facility Name & Address         |  | Concentration (Percent of solids in slurry)       |  |
| Contact information             | Name: _____<br>Phone: _____<br>Email: _____  | Existing clarifier or thickener type              |  |
| Type of slurry or ore           |  | pH of slurry                                      |  |
| Specific gravity of solid       |  | Do solids have commercial value?                  | <input type="checkbox"/> Yes <input type="checkbox"/> No   |
| Project Objective               | <p><i>Check all that apply:</i></p> <input type="checkbox"/> Dry manageable solids<br><input type="checkbox"/> Water recovery<br><input type="checkbox"/> Reduce/eliminate ponds<br><input type="checkbox"/> Extract leached metal(s)<br><input type="checkbox"/> Other: Explain | Existing dewatering method(s)                     | <p><i>Check all that apply:</i></p> <input type="checkbox"/> None<br><input type="checkbox"/> Ponds<br><input type="checkbox"/> Thickener/clarifier<br><input type="checkbox"/> Cyclones<br><input type="checkbox"/> Belt or filter press<br><input type="checkbox"/> Other: Explain |
| Cyclones- Type and size         |  | Regulatory or hazardous materials? Please explain |  |
| Existing clarifier or thickener |  |   |  |
| Special Notes Or Comments?      |  |   |  |

**LEGAL NOTICE:** Information generated by TPH is to be considered proprietary and a trade secret. Disclosure of this information to any third party requires written permission from TPH. This should include any information a customer or potential customer might glean from a visit to our (or our distributor's) facilities. Completion of this form is required before submitting any proposals or starting any design/engineering work.

**INTERNAL USE ONLY**
